### Incident Summary

On February 14, 2022, Mr. Steve Benedetto emailed the Professional Standards Bureau (PSB) and alleged Officer Ryan O'Hayer #10647 attempted to avoid the service of pending lawsuit. Mr. Benedetto noted that Officer O'Hayer "...failed to respond to our process server's numerous requests for cooperation...it appears that he might be attempting to avoid service of process: He has ignored emails and phone calls, and recently called out of work on the day that our process server indicated he would attempt to meet him at the precinct to serve him..." On February 15, 2022, Mr. Benedetto again emailed PSB and noted that Officer O'Hayer was served at his home and Officer O'Hayer did not attempt to avoid service on that date. Given Officer O'Hayer was served this matter will be documented and closed.

On February 15, 2022, PSB investigators left Mr. Benedetto a message. In the message, PSB investigators indicated receipt of his emails and provided the administrative number for this phone log.
